Lotus handly-nubuked

Bovine hides - Ox

- Origin: European slaughter
- Size: 4,60/5,00 m2
- Thickness: 1,4/1,6 mm
- Natural grain

Pure aniline, full grain delicately handly-nubuked on the homogeneous and natural grain. Produced on excellent hides of the best European slaughters.

A leather not protected by any fixative, to be appreciated in its naturalness without pretending the resistance of pigmented and fixed articles, that offer the pleasant touch and the softness of the leather of the past.

A leather whose colour, aging, gradually changes with time and use. Differences of colour from lot to lot are to be considered normal.
